

**WAVEFRONT TECHNOLOGY SOLUTIONS INC.
STARTS UP POWERWAVE INSTALLATIONS
WITH PETROLEUM DEVELOPMENT OMAN (PDO)**

EDMONTON, Alta January 26, 2012- Wavefront Technology Solutions Inc. (“Wavefront” or the “Company”, TSX-V: WEE; OTCQX: WFTSF), the leader in fluid injection optimization for improved performance and profitability in the oil and environmental sectors, is pleased to announce that the much anticipated Powerwave installations with Petroleum Development Oman (PDO) previously announced April 11, 2011 have started effective January 24, 2012.

PDO is the leading exploration and production company in the Sultanate of Oman producing approximately 70% of the country’s crude oil production. PDO is owned by the Government of Oman, Royal Dutch Shell, Total, and Partex.

“PDO is the established leader in technology development and application for enhanced oil recovery in the region of Middle East North Africa (MENA). The Powerwave project with PDO represents one of the highest profile opportunities for Wavefront to date. All oil producers in the MENA region will be closely monitoring the project and its results. We are highly confident Powerwave will deliver the production results generated elsewhere and will open new opportunities with other clients in the MENA region”, stated Wavefront President and CEO, Brett Davidson.
